Rules & Regulations

Arrival & Departure Times

Children are received personally from 06:00 to 08:00, and we strictly close at 18:00. This provision also ensures that our dedicated employees get to spend valuable time with their families. Pick-ups after 18:00 incur a fee of R100 per 30 minutes, **which is charged from 18:01**. This fee is intended to compensate teachers for overtime work.

Please note that children may not be left at the gate but must be handed over to the person on duty.

Food and Refreshments

Children will receive breakfast, lunch, and an afternoon snack at school. Please do not send sweets or toys with them. The school cannot be held responsible for the loss of toys brought by a child. Parents are kindly requested to call the school if their child will be absent or to inform us of any important events or issues at home.

Medication

If your child is currently taking medication, please give the child the first dose at home. The second dose will be given at school after lunch. Do not place the medicine in your child's bag; instead, hand it directly to the driver or teacher to prevent the medicine from breaking or being taken unsafely.

- ❖ **Note: The daycare center does not keep or provide any medication for children. Only medication supplied from home will be given to children.**

Birthdays

A birthday is a special occasion in a child's life, and it's wonderful when others can share the celebration. Parents are welcome to arrange in advance to bring refreshments for the class and may stay to enjoy the party. Birthdays are celebrated with the whole school, so parents should confirm the number of children attending to prepare accordingly.

Clothing

Parents are kindly asked to dress their children in comfortable clothing suitable for play and activities that may get messy. Each child should bring a change of clothes, as the day may include painting, sand play, or outdoor activities. Wearing very smart clothes can discourage participation in these valuable experiences. Since we encourage independence, please ensure that your child's clothing is easy for them to put on and take off by themselves.

3 - 18 months: Bum cream, 3-4 disposable nappies, wet wipes, formula, two feeding bottles, and a blanket

2-3 years: Bum cream, 3-4 disposable nappies, wet wipes. Extra underwear for children who are potty training and a blanket.

- ❖ **Note: All items of clothing must be clearly labeled with your child's name on the outside. If you happen to find any items that do not belong to your child, please return them to the school — do not keep them.**

Rules & Regulations

FEES

Fees are due on the 2nd of each month and must be paid no later than the 5th. Payments are made one month in advance. Please note that no refunds will be issued for days of absence. A one-month notice is required if a child is to be withdrawn from the care Centre. We operate throughout the year, including December, until the 15th. If your family goes on holiday, fees for that month are still payable, as teachers continue to receive their salaries.

❖ **Note: A R100 discount will be given to the second child**

SICKNESS

Please do not send a sick child to school. We advise parents to keep a child at home if they are unwell and only return them to school once they have recovered.

COLLECTION OF CHILD/REN

Only authorized personnel will be allowed to collect children unless the parent(s) have notified us of the permission for collection
